bergeron sales

Les Ventes Bergeron Sales represents manufacturers of quality products in the Ottawa, and surrounding areas. We have been in business since 1995 serving the needs of the plumbing and heating industry. We believe that we have earned a reputation of professionalism, honesty and diligence in dealing with the various plumbing and heating segments. We are knowledgeable on the application of our products and take pride in the solid understanding and the needs of our customers.

Our Mission is to respond to the needs of our customers, accurately, professionally and to be the recognized leader in the industry through exceptional service to our customers.

Should you require information on any of our product lines or feel there is an opportunity for Les Ventes Bergeron Sales in representing your company, we would be glad to discuss this further with you.

If an individual would like information on our products they can go to the product section and if they want information on representation they can go to that page. Our outgoing, innovative and bilingual team specialize in the promotion, marketing and sales in the residential, commercial and institutional markets. We focus our attention on being visible in the following segments:

Manufacturers Agent
Specializing in Plumbing
Residential, Commercial
Institutional

In keeping with our new company image bergeron sales has recently revamped the look and functionality of our website. Our site is now quicker to load the images crisper and the look is sensational. We will be adding other features to the site as we go along. We hope you find it a useful tool and as always if you have any suggestions' please let us know. The new site will be up and running by Friday the fifth.

You can access the site at www.bergeronsales.com.

AXOR

What other manufacture has this who's who of the design world collaborating with them

ONLY AXOR

Philippe Starck

Antonio Citterio

Jean-Marie Massaud

Patricia Urquiola

Phoenix Design

The worlds most prestigious brand of faucet collections is available in Ottawa. Axor offers complete lines that enable designers themes to carry throughout the entire home for a complete look.

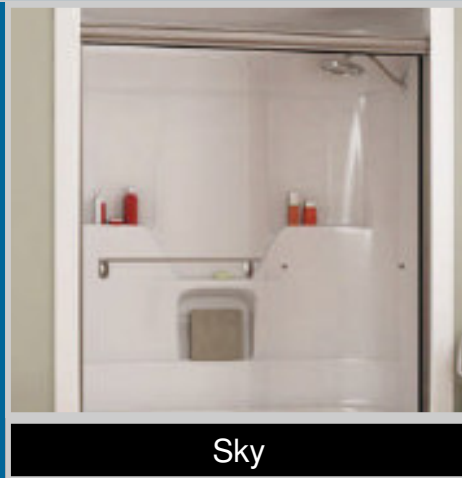

MAAX
Enjoy. Everyday.

Maax is introducing new additions to its line of luxury doors. The three models offer reversible top headers and bottom sliding tracks that prevents residue build-up for ease of cleaning. The Vibe has two different stylized aluminum handle styles to chose from, the Sky sports a solid brass bar and the Cottage Gate has chrome knobs for a clean simple look. All doors have 6mm thick tempered glass.

Vibe

Sky

Cottage Gate

Model	Codes	Descriptions	List Price
